Intern (m/f/d) at Group Accounting

You are studying economics and are enthusiastic about topics such as accounting or auditing? And you would like to use your study knowledge in the business practice of an international group? Then support our group accounting team at Fresenius Kabi! During your full-time internship, you will gain valuable insights into quarterly group reporting and support exciting accounting projects, such as the introduction of new IFRS accounting standards.

Your challenge in detail

- You will take on a wide variety of tasks in the Group Accounting team, allowing you to explore a wide range of career options
- You will actively participate in the preparation of the quarterly consolidated financial statements according to IFRS and the related reporting
- Whether you dedicate yourself to debt consolidation or fill in the reporting package - you will master sub-tasks assigned to you on your own responsibility
- In addition, your analytical eye is required for the independent preparation of financial analyses as well as the support of ad-hoc inquiries in German and English
- Last but not least, you will participate with vision in projects for the introduction of new IFRS accounting standards

Your competence is in demand

- Current studies in economics (at least 4th semester) with focus on accounting / international accounting according to IFRS or group accounting or auditing
- Initial experience in international accounting through internships, student traineeships, etc. would be advantageous
- Good English skills, written and spoken
- Confident handling of MS Office
- An independent, structured way of working and an analytical mindset

Our offer to you

As an intern (m/f/d), there is a lot for you to discover at Fresenius. Add purpose to your career:

- Comprehensive support; participation in exciting departmental tasks, processes and projects; opportunities to contribute and implement your own ideas

- Professional and personal development opportunities gained through engaging in hands-on work while still a student
- Opportunities to network with colleagues and young professionals from other divisions via our intern community
- The chance to lay the foundation for a potential employed position at Fresenius - as seen in the careers of many former interns and working students

Start: September 2024

Duration: 3 months (mandatory internships also possible for longer)

Location: Bad Homburg (Mobile working possible by arrangement; regular presence on site required)
