

# OPEN SCIENCE & OPEN INFRASTRUCTURES

Fostering Research for Peace, Justice, and Inclusive Societies

The event provides a platform for addressing Open Science and Open Research Infrastructures as important pillars for conducting research for and with society.

Everyone interested in Open Science and Open Research Infrastructures, especially researchers, library representatives and administrative staff from the EUPeace Alliance, are warmly invited to join the event.

**Forschungszentrum Deutscher Sprachatlas,  
Pilgrimstein 16, 35037 Marburg  
Room 001**

**October 8, 2024
