

Declaration of Consent

For dual career counseling at the Family Service

I, _____, have been informed in writing by Dr. Palina Schmitz that my personal data will be processed and sent to potential employers in the region as part of dual career counseling at the Family Service.

Counseling is provided by the Dual Career Service. The person responsible for counseling is Dr. Palina Schmitz (dualcareer@uni-marburg.de, 06421/28-26 182). Petra Kienle, Karen Schlobinski, and Anna Dinges act as substitutes.

I am aware that my participation in counseling is voluntary and that I may revoke my consent to participate and to the storage of my data at any time without incurring any disadvantages. The revocation applies to the future, so that the lawfulness of the processing performed before the revocation is not affected. I have the option of asserting my rights with regard to my stored personal data at any time.

I agree to the described handling of the data collected. I have received a copy of this declaration of consent as well as the data privacy policy with information about my rights and the handling of my personal data.
