

## **Criteria for Awarding Scholarships for the Advancement of Equal Opportunity**

### **Scholarships for the Successful Completion of Dissertations or Habilitations**

1. Fulfillment of formal criteria, including membership in MARA (completion scholarships for dissertations);
2. Evidence of exceptional academic quality;
3. Good to excellent academic achievements in previous studies and exams;
4. Prospective submission of the written work (dissertation or habilitation thesis) within a max. of six months from the beginning of the scholarship;
5. Conclusive evidence that the work can be submitted at the end of the funding period;
6. Relevance to the current research being pursued at Philipps-Universität Marburg; doctoral candidates must be admitted to pursue a doctoral degree at Philipps-Universität Marburg; when submitting their application, postdoctoral applicants are requested to confirm that they intend to submit their habilitation thesis with Philipps-Universität Marburg; this intention must be confirmed by the reviewer;
7. Evaluation of the applicant and the research project in the review. The information in the application must match the information in the review;
8. Complete list of publications (please mark the publications, which are relevant for your dissertation/project. Submitted and accepted (quotable) publications can be listed too, with a suitable note. Publications in process or preparation can't be accepted.);
9. Less important: social criteria (children, severe disability, chronic illness, special needs)
