## 13: Physics

Complex Neural Networks

Computational Physics I

Exercises in Computational Physics I

Semiconductor Optics I

Seminar in Semiconductor Optics I

Python 2 - Modern Statistical Methods for Scientists

Fundamentals of Functional Materials

Seminar in Fundamentals of Functional Materials

Methods in Material Science 2

Seminar in Methods in Material Science 2  
Molecular Materials 1  
Seminar in Molecular Materials 1  
Selected Topics in Functional Materials 1  
Seminar in Selected Topics in Functional Materials 1  
Quantum Information and Quantum Computing  
Seminar in Quantum Information and Quantum Computing

### **19: Geography**

Base R - no statistics, no fancy packages, just plain R  
Introduction to Geography  
Innovation und Wachstum im Raum  
Klimafolgenforschung/Climate Change
